HVACR License Renewal Continuing Education Seminars: 2018-2020 licensing period

Dear Fellow Master Plumber and Master HVACR contractors:

Just a note to say hello with a reminder that time has come to fulfill your continuing education requirements in order to maintain your New Jersey Master HVACR license. (All licenses expire June 30, **2018**).

John and Dale have compiled a list of your comments, code changes and State changes. As always we listened to our students and what they want to learn. This session we will address those student requests as well.

As you know, our classes tend to fill quickly, so please sign up early. John and Dale look forward to seeing you again. We will be happy to assist you in any way possible. **CLASS ONLY ONE HOUR. NO ONE WILL BE ADMITTED LATE.**

CONFIRMATION/REMINDERS SENT OUT TWO WEEKS PRIOR TO SEMINAR.

Very truly yours,
JOHN & DALE GLYNN
